

## Quick Fact

- Designed to replace 50-150W HPS, 100W MH AND 175W MV post-top luminaires
- Type 3, 4, 5 distributions available
- Polycarbonate with frosted acrylic panes
- Color Temperature and Wattage selectable
- Optional 3 Pin photocell & integrated motion sensor control
- Designed to operate at up to 40°C ambient

## LED Slim surface mount Series

Revel in the brilliant combination of easy installation and a sleek, modern lighting aesthetic offered by our Slim Surface Mount LED Collection. A symbol of clean, classic designs with smooth, eye-appealing curvature, Emblem provides you with familiar lighting shapes and functional features engineered for both outstanding performance and unparalleled longevity. An excellent choice for general ambient lighting, each polished design features a smooth, slightly tapered trim ring surrounding a single, integrated LED light source. Each trim ring is available in three different sizes and finishes to help meet your unique design needs. Enjoy the unmatched level of glare control offered by the fixture's diffused polycarbonate lens that also hides any unwanted LED pixilation.

Each light fixture is home to an integrated AC LED light engine that seamlessly installs to a variety of ceiling pan junction boxes to give you added flexibility when it comes to creating your design vision. The surface mount will also satiate the cravings of any environmentally-aware and cost-savvy buyer with the fixture's long-lasting, 50,000-hour LED life span and 80% energy savings.
