LEDEPK Area Light

ECO Series Area Light

LEDEPK is a high-performance and affordable LED area luminaire. There are outstanding lumen output packages, Type III/IV/V distribution patterns, versatile mounting options, and an optional motion sensor, photocell, and glare shield. The LEDEPK is designed with the latest in LED technology to replace up to 1000W HPS/MH fixtures. For customers looking for a low-cost, high-quality area light solution, LEDEPK is an excellent choice.

Small Size: 40W/70W/100W

Medium Size: 150W/2000W

Large Size: 250W/300W

Housing

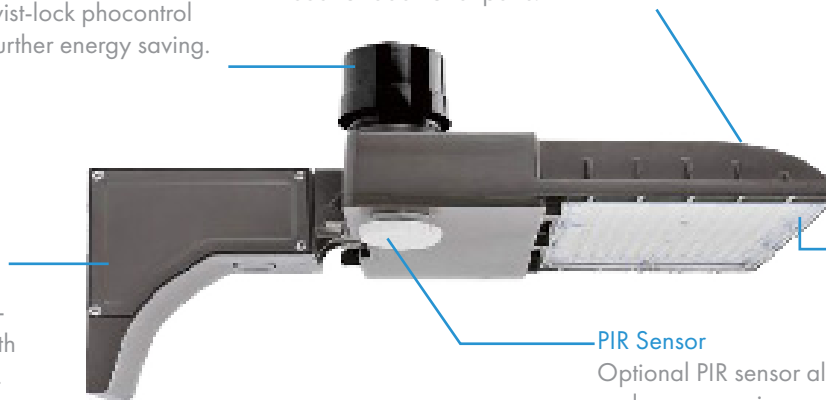

Features a compact, one-piece die cast housing, saving costs versus models that are extruded or cast and require additional parts. The heat sink is included in the actual casting, further minimizing the need for additional parts.

Photocontrol

Optional twist-lock photocontrol allows for further energy saving.

Standard Arm Mount

The design features an integral arm, increasing strength and simplifying installation.

PHOTOMETRY

Optional Type III and Type IV and Type V Photometry as per applications.

PIR Sensor

Optional PIR sensor allows for security and energy saving.

Mounting options:

Wall mount

Pole mount

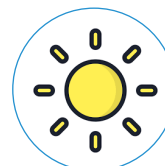

Slipfitter

Trunnion

Optional Accessories:

Photocell

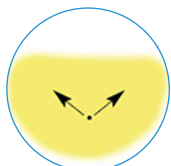

Motion sensor

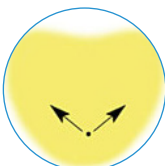

Glare Shield

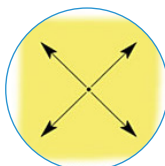

Distributions Type:

Type III

Type IV

Type V

Performance Data:

Wattage	Distribution Type	Lumen	LPW
40W	V	5720 lm	143 lm/W
70W	V	9800 lm	140 lm/W
100W	V	13900 lm	139 lm/W
150W	V	20800 lm	139 lm/W
200W	V	26000 lm	130 lm/W
250W	V	35250 lm	141 lm/W
300W	V	42000 lm	140 lm/W
