## LARGE FULL CUTOFF WALL PACK

Upgrade your outdoor lighting game with the full cut-off wall pack, delivering unparalleled efficiency, durability, and aesthetics to keep your property safe and visually appealing all night long.

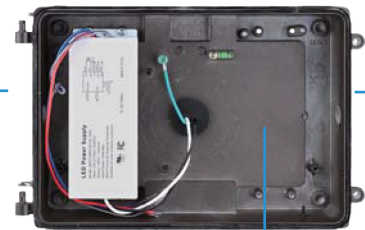

# LEDLFCUWP Large Full Cutoff Wall Pack

## Description

The LEDLFCUWP is a reliable and adaptable lighting solution, suitable for perimeter illumination to enhance safety, security, and identity. It features a rugged cast-aluminum housing that is corrosion-resistant and finished with bronze polyester powder paint for lasting durability. The product is equipped with a thermally conductive LED panel and electrical chamber that are securely protected. Additionally, four convenient holes positioned at the top, bottom, and sides of the housing enable safe and easy connection and disconnection. Overall, the LEDLFCUWP delivers exceptional lighting performance and longevity, while also prioritizing user convenience and safety.

### Photocell (option)
