BLR3 LED Bollard

Description

The BLR3 bollard light is a revolutionary lighting solution that enhances the aesthetic appeal and creativity of cities in an IP65-rated environment. Its architectural design and UV-resistant PC material make it suitable for various areas, including pathways, gardens, sidewalks, building entrances, and more. It can adapt to the different demands of each location, providing a versatile and reliable lighting solution.

Annular diffuser

Glow soft light around.

Reflective cup

Gather light and make the coverage of the light larger.

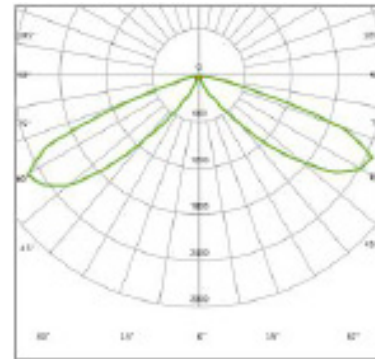

Lamp bollard

Round appearance for good decorative effect and harmony with various garden scenes.

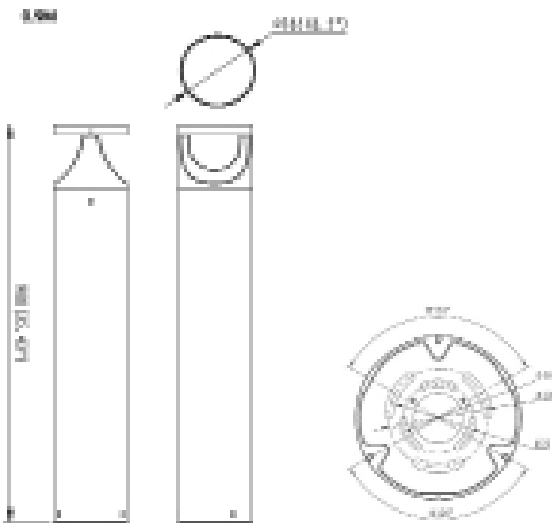

Emergency Battery

Emergency battery pack would provide the necessary brightness in emergency situations. Applicable ambient temperature is 10 °C (50 °F) to 40 °C (104 °F).
