MFWS2 LED Wall Scone

Description

The tear drop wall mount is a stylish and reliable lighting fixture suitable for indoor and outdoor use. Its unique shape and sleek design add elegance to any environment, while energy-efficient LED technology provides bright and crisp light with even distribution. Built with high-quality materials, it withstands harsh outdoor conditions, making it ideal for commercial and residential settings. With exceptional value, contemporary design, and reliable performance, it's the perfect choice for those who demand the best in lighting solutions.

Mounting

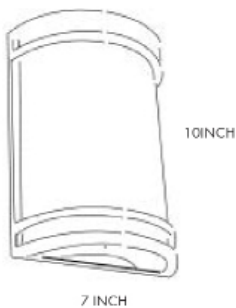

Our fixture's wall mount is both user-friendly and reliable, ensuring a secure installation for your outdoor lighting.

Housing

The die-cast aluminum housing and opal acrylic frosted lens combination ensures long-lasting durability and performance.
