MFWS3 LED Outdoor Wall Scone

Description

The Traditional LED Outdoor Wall Scone is a classic lighting fixture that blends traditional design with modern LED technology. Made from high-quality materials such as metal and glass, it is built to withstand the elements and provide long-lasting illumination for outdoor areas. Its timeless lantern design evokes a sense of elegance and sophistication, making it a popular choice for homes and commercial spaces alike. With the use of energy-efficient LED bulbs, this lantern scone delivers bright and reliable lighting while also reducing energy costs. Its easy installation and low-maintenance design make it a practical and convenient choice for any outdoor lighting needs, while its timeless style ensures it will remain a stylish and functional fixture for years to come.

Housing

The die-cast aluminum housing and glass lens combination ensures long-lasting durability and performance.

Mounting

Our fixture's wall mount is both user-friendly and reliable, ensuring a secure installation for your outdoor lighting.
