# SPST512W50K Mini Post Top Lantern

## Description

The LED Outdoor Mini Post Top Lantern is a compact and energy-efficient lighting solution for outdoor areas. With its sleek and modern design, it adds a touch of elegance to any outdoor space. The LED technology provides bright and long-lasting illumination, while the mini post top size makes it easy to install in small spaces. The lantern is also durable and weather-resistant, ensuring reliable performance in any weather condition. Whether you want to light up a walkway, a patio, or a garden, the LED Outdoor Mini Post Top Lantern is a great choice.

### Mounting

Our fixture's mount is both user-friendly and reliable, ensuring a secure installation for your outdoor lighting.

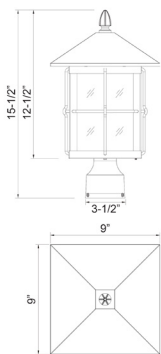

### Housing
