

CYL1

NEW

INDOOR LIGHTING

Illuminate your space with sleek, cylindrical lights featuring a luxurious gold interior, offering modern elegance in both pendant and track designs.

CYL1 LED Cylinder

Architectural Cylinder

The CYL Series pendant and track lights elevate interior lighting with a seamless fusion of contemporary design and exceptional performance. These sleek cylindrical fixtures are offered in a sophisticated matte black or crisp white finish, each paired with your choice of four distinctive trim colors—cooper, chrome, white, or black—to perfectly complement any décor. Engineered for precision, the CYL Series provides focused illumination, ideal for enhancing ambiance in both residential and commercial spaces. Whether suspended as a pendant or mounted on a track, these lights offer unparalleled versatility and style, making them the perfect choice for those seeking to enhance their lighting experience with refined elegance and superior functionality.

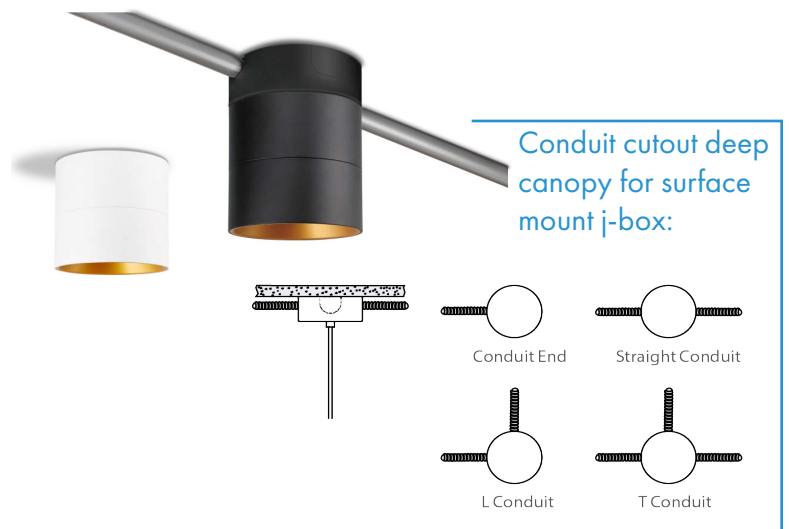

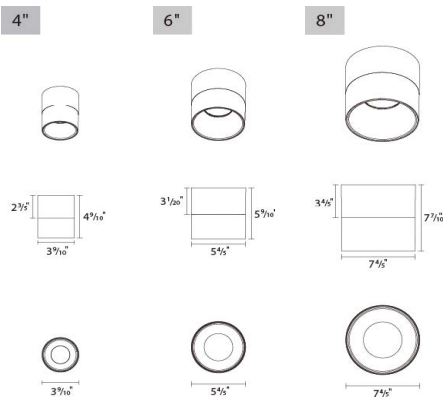

Easy installation
Over 100,000 options, configurable in seconds.

Trim options
Made from premium aluminum for durability and a refined finish.
